

2026–2027 KINDERGARTEN KICKOFF

Dear Families,

Welcome to Kindergarten! We are thrilled to start this special year with your child and your family. Kindergarten is a year full of growth, discovery, and many firsts and we are honored to be a part of your child's learning journey. This year's KINDERGARTEN KICKOFF is set for March 27th. At this time your child will participate in learning center activities and several screenings. Parents will meet with school staff to discuss all aspects of the upcoming school year. We have 4 designated time slots to join us. Below you will find the link to select a time that works best for you.

Your child **must have a physical before entering school next fall**; the physical can not be more than 6 months before school begins. **State law requires that your child's current, complete immunization record and physical and birth certificate** be on file at school **BEFORE the first day of school**. We do **not** accept paper copies! All required paperwork is to be uploaded to your child's account on Final Forms.

- If your child is in WC Preschool, they are already registered, and their information will need to be updated after June 30, 2026, in Final Forms.
- If you have other children in school, you will add your new student to your existing account.
- If you are new to WC Schools, you will set up a new account.

We believe that strong communication and partnership between home and school is key to a successful year. Please don't hesitate to reach out with questions, concerns, or celebrations you'd like to share. We're here to support both you and your child every step of the way. Thank you for trusting us with your little learner. We can't wait to watch them grow, learn, and shine this year. It's going to be a wonderful adventure!

Yours in Education,

Mrs. Korrina Harris, Kindergarten Teacher

Mrs. Makala Schroeder, Kindergarten Teacher

Mrs. Kristina Mazza, Administrative Assistant

Mr. Tony Braithwait, Elementary Principal
