SCOOP FROM THE KITCHEN

It is hard to believe in 14 days, another school year is coming to an end. In that time frame there are a lot of items that need to be checked off lists.

1. All student meal balances need to be paid up in full at time of signing their check out sheet.
2. The last day for ordering Pizza Kits for 4th and 5th graders will be Thursday, May 4th. I will send home a note to remind students and parents of this change. High School, I will offer while supplies last. I will try to give them a heads up in a few days.

I do have exciting news. We have purchased new software to run our breakfast and lunch program. It is Wordware. Parents- No worries, payments will still be the same method, eFunds online or cash/check.

Wordware works well with PowerSchool. Children will use their same number they are using now.

If you have any questions please reach me at 402-821-2141 ext. 316 or email me at janet.slama@wilberclatonia.org

GETTING A “JUMP” START ON THE UPCOMING SCHOOL YEAR

It is never too early to start scheduling for the upcoming school year’s medical, dental and vision appointments. Appointment times start filling up fast over the summer months. When visiting your medical clinic, always make sure and take a current copy of your child’s immunization record with you. This will help update your child’s health records and see what immunizations your child may need. Please remember when scheduling your appointment to ask the receptionist if any paperwork needs to be done in advance.

Kindergarten physicals and vision exams can be done no earlier than 6 months prior to school starting and NSAA Sports Physicals can be done after May 1st.

Please make sure and have all patient information completed or required forms prior to the appointment. This will speed up your appointment time. **Don’t wait until the last minute, start by scheduling your appointment today.**

A HEALTHY REMINDER

As the school year is coming to an end, I encourage parents to come by the Health office and pick up your child’s medication before Thursday, May 18th. Any medications left after this date will be destroyed and will no longer be held over the summer. Starting in the fall new medication can be brought in for your child/children. This will hopefully eliminate the storage of expired medications. Thank you for your help with this.

CONGRATULATIONS GRADUATES

The World is Waiting

By Wendy Johnson

Can you hear it? It is the sound of the future.

It's impatient to hold you. Away from here.

And here will become something else.

A thought, a memory. A place that once was.

But not yet. You are here and so are we.

And we hold you now.

See where you are, it's your past.

It will soon be gone from sight. From every day life.

The world doesn't have you yet-but it is waiting.

It needs you more than we do.

It needs your strength and also your vision.

Your intelligence and compassion.

It's waiting for your wisdom...and your sweat

To fill the places that are broken

And build the things that don't now exist

Except in you.

And that is where we are going,

This place and these people.

Inside— where the should resides and memories live

And we will hold you there. Always.

Band Students and Parents,

Summer is just around the corner and I am sure many of you have already started making plans. Hopefully, this summer band schedule reaches you soon enough that we can limit our conflicts. We should be able to prepare in a few short rehearsals, but it is important that our band program is well represented at Czech Days.

***All grade levels refer the students' grade level during the upcoming 2023-2024 school year.**

If your child needs a Czech outfit, please begin making those arrangements soon. I know that students are very busy during this weekend, but we want to make sure our band program is well represented at Czech Days as this is one of our most attended performances of the year. It is very important that students are in attendance for rehearsals and performances. All incoming 6th graders and students who have not marched before will need a lyre and flip book for their instrument. These can be ordered from any music store or many places online. If you need help finding these items, send me an email and I can point you in the right direction. Please let me know as soon as possible if your child has any conflicts so that I can plan accordingly. My email (leighann.campbell@wilberclatonia.org) is the best way to reach me.

Sincerely,
Leighann Campbell

W-C Strength & Conditioning

Hello Coaches,

My name is Tucker Platt, I am excited to joining W-C as the new strength and conditioning coach. Here is a little bit about me... I grew up in Stromsburg, NE and attended Cross County Public Schools. I completed my undergraduate studies at Concordia University where I really began to develop my passion for strength and conditioning as I competed in pole vault. I am very excited for the opportunity to step into W-C and help build on each athletic program's success through solid strength and conditioning programming. I am looking forward to seeing a lot of growth and success for our athletes this year on the field, court, mat, track, etc. and truly believe that the weightroom is a vital component to the success that we all desire. It is my hope to work with each team on an individual basis to develop sport specific strength and conditioning programs for our athletes.

Below I have listed some of the focal points for the goals that we will be trying to accomplish through our strength and conditioning this summer and upcoming school year.

Focus Points

- Sport Specific Workouts
- Transferable Skills
- Explosion & Power
- Injury Prevention

I would love to meet you and discuss your goals for what you would like to see accomplished in your team's time in the weight room this summer and upcoming school year both in season and off season. A handout with scheduling and summer plans will be sent out as I work with Mr. Zajicek to solidify our summer plans. Thanks for taking the time to read this! I look forward to meeting with you all and working to get our Wolverine athletes as strong as possible for next school year's competitive seasons.

Sincerely,
Coach Platt

W-C Strength & Conditioning

“You either get better or WE get worse. You don’t stay the same, so WE have to use every practice and workout to get better!”

Summer Start Date: Monday, June 5th

Schedule: Monday-Thursday mornings.

- Session 1: Boys (6:30-7:15am)
- Session 2: Girls (7:20-8:05am)
- Session 3: Late Session/MS (8:10-9:05am)

Focus:

Strength and conditioning is a vital element to all sports and we believe that this is something that can and will set you apart from your opponents. We desire to see athletes moving in a functional way that relates to their sport specific movements. All sports require explosion and power so this will be a main focus in our training program. We will work to build strength and speed as well as incorporating a variety of injury prevention exercises in our program throughout the summer.
